STUDENT EMISSIONS REPAIR ASSISTANCE PROGRAM

www.mde.state.md.us

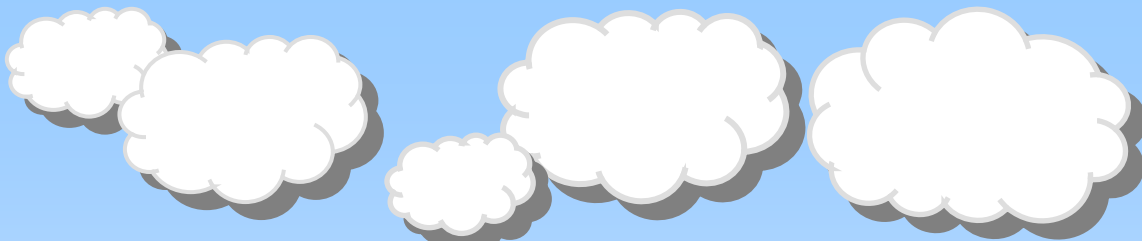

**Failed your VEIP test?
Need financial assistance for repairs?**

This Student Emissions Repair Assistance (SERA) program is being offered in cooperation with Montgomery College to registered high school and college students in Montgomery and Prince George's Counties.* Repair assistance will be provided to qualified students who have failed a biennial VEIP test. The program will run from September 2008 through May 2009. An allowance up to \$450 in repairs, conducted by Montgomery College, will be made available for students accepted in to the program.

The Goals of the Student Emissions Repair Assistance Program are to:

- Provide the opportunity for timely emissions related repairs.
- Provide financial assistance for emissions related repairs (An allowance up to \$450.).
- Reduce emissions of volatile organic compounds (VOCs) and nitrogen oxide in the Maryland ozone non-attainment areas.
